Kindly note late arrivals disrupt academic discipline and will not be entertained. All students must ensure timely arrival for smooth school activities and functioning. Compliance with uniform norms and school timings is mandatory. **Students should not arrive too early at school before 7:20 a.m. The school will not be responsible for the safety or supervision of students who are left outside the school premises prior to this time. Parents are requested to ensure that their ward's arrival aligns with the school's reporting schedule.**

#### **7. Holistic Student Profile:**

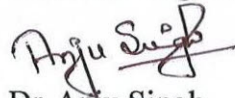

A Holistic Student Profile (HSP) plays a significant role in understanding a student's overall development beyond academic performance. It records a student's progress in areas such as skills, interests and participation in co-curricular activities, helping the school to support a balanced growth. The HSP will be maintained for all students from Classes IV to XII. Teachers play a key role by regularly observing, guiding and documenting students' development, while parents contribute by sharing insights about the child's interests, habits, and learning growth. Parents' active participation will help in making the profile more meaningful and effective, ensuring their ward's continuous holistic development.

Holistic Student Profile will be maintained by students and has to be submitted to the Class Teacher.

#### **8. For ten days classes will be conducted using CBW (Conceptual Bridge Worksheets) to support students in transitioning smoothly between different levels of understanding across subjects.**

We look forward to your continued support in ensuring a successful academic year (2026-27).

With best Regards,

Dr. Anju Singh  
Principal In-charge
